

How to subscribe to Real-Time Market Data

Step 1: Log in to AmEquities Web Platform

Step 2: From the menu drop-down list, select the 'Foreign Market'

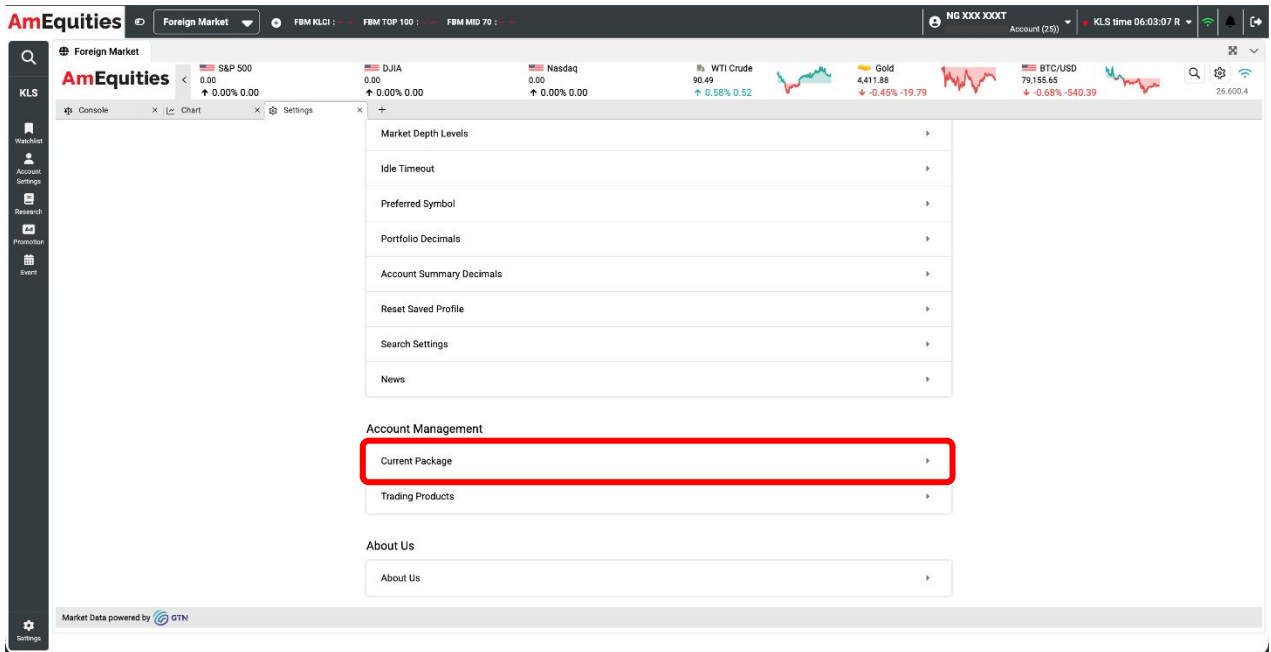

Step 3: On the Foreign Market page, look for 'gear' icon located on upper right corner

The screenshot shows the AmEquities Foreign Market interface. In the top right corner, there is a 'gear' icon (Settings) highlighted with a red square. The interface includes a top navigation bar with 'Foreign Market' selected, a search bar, and a 'KLS' button. Below the navigation bar, there is a 'Console' section with a 'Watchlist' and a 'My Watchlist' section. The main area displays a table of market data for various stocks, including S&P 500, DJIA, Nasdaq, WTI Crude, Gold, and BTC/USD. On the right side, there is a 'Standard Quote' section for 'APPLE INC' with a price of 290.55. Below the quote, there is a 'Day Range' chart and a 'Volume' chart. At the bottom, there is an 'Advanced Order' section for 'APPLE INC' with a 'Buy' button. A red box highlights the 'gear' icon in the top right corner.

Step 4: Click Settings

The screenshot shows the AmEquities Foreign Market interface with the 'Settings' menu open. The 'Settings' menu is located in the top right corner and includes options for 'Language', 'Theme', 'Help', and 'Logout'. The 'Settings' option is highlighted with a red box. The interface also shows a 'Watchlist' section with a table of market data for various stocks, including WISDOMTREE TR., TENCENT HOLDI..., ABCELLERA BIOL..., AVEPOINT INC, and VALARIS LTD. On the right side, there is a 'Standard Quote' section for 'TENCENT HOLDINGS LIMITED - Main Normal' with a price of 438.4. Below the quote, there is a 'Day Range' chart and a 'Volume' chart. At the bottom, there is an 'Advanced Order' section for 'TENCENT HOLDINGS LIMITED - Main Normal' with a 'Buy' button. A red box highlights the 'Settings' menu in the top right corner.

Step 5: Scroll down to Account Management, then click Current Package.

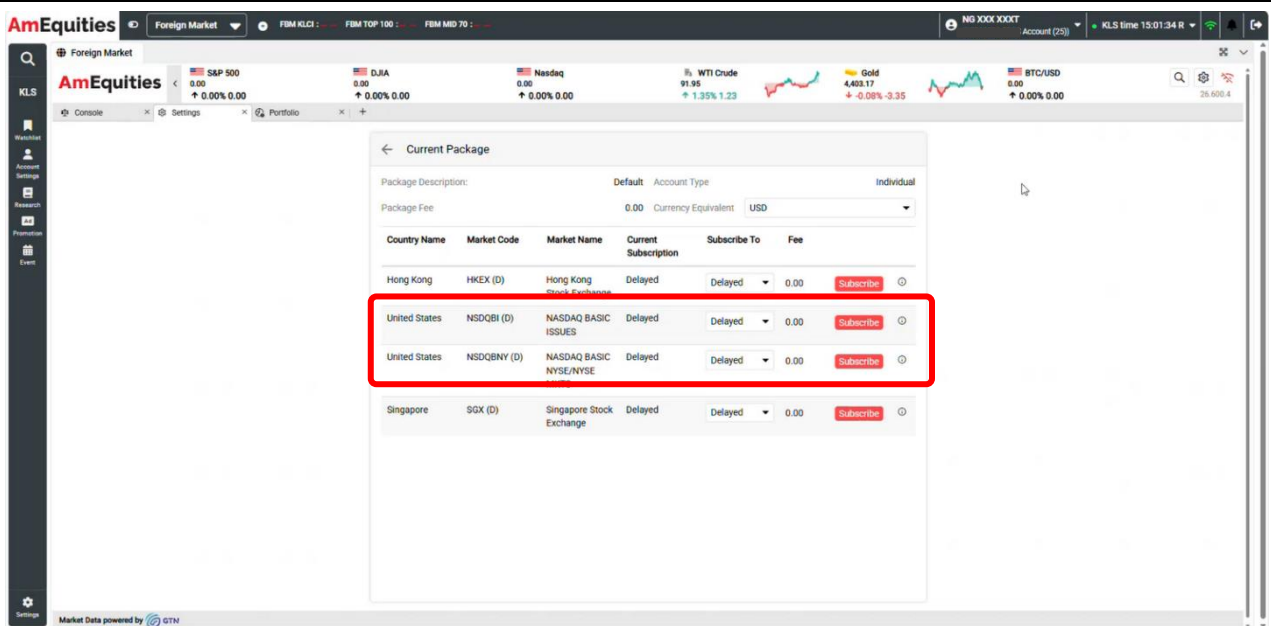

The screenshot shows the AmEquities web interface. The top navigation bar includes 'Foreign Market', 'FIM KLCI', 'FIM TOP 100', and 'FIM MID 70'. The main content area is divided into sections: 'Market Depth Levels', 'Idle Timeout', 'Preferred Symbol', 'Portfolio Decimals', 'Account Summary Decimals', 'Reset Saved Profile', 'Search Settings', 'News', 'Account Management', 'Trading Products', and 'About Us'. The 'Current Package' link under 'Account Management' is highlighted with a red box.

Step 6: To access the full Nasdaq real-time market data feature, you will need to subscribe to both of the available Nasdaq markets:

- NASDAQ BASIC ISSUES
- NASDAQ BASIC NYSE/NYSE MKTS

Important Note:

Complete the subscription for each Nasdaq market separately.

The screenshot shows the 'Current Package' subscription page. The table lists available markets for subscription. The two Nasdaq-related entries are highlighted with a red box:
